Research student progress report

Candidates need to complete Section 1 of this form. When your supervisor has completed Section 2 please return it to Jo Mc Namara, School Senior Executive Officer, with your other progress review materials (see Postgraduate Research Handbook). An electronic copy of this form also needs to be submitted to pghishum@tcd.ie.

Candidate's self-assessment of work done since the last review

This is to be submitted to the supervisor for comments. Candidates should not hesitate to mention problems, set-backs etc., since these matters are important in monitoring progress and permitting extensions, etc. (continue on a separate sheet, if necessary).

Supervisor's comments

The substance of these observations should be discussed with the candidate.

1. Has the candidate been working in Trinity all of this year?

If the answer is no, please state duration of and reasons for absence, place of study and supervision arrangements.

2. Do you recommend continuation on the higher degree register?

3. If the student is on the MLitt or Probationary PhD register in Year 1, do you have any concerns at this stage about their progress? Has the possibility of completing an MLitt been discussed with the student?

4. Do you foresee any problems which might prevent submission of the thesis on or before the cessation date?

We, the undersigned, agree that the above fairly reflect the progress of the candidate in this academic year.
