

# M.Phil. in Gender and Women's Studies

## Course Structure

This course provides advanced training in the study of women, gender and sexuality for students with a variety of academic and professional backgrounds.

Housed in the School of Histories and Humanities, our program draws on the expertise of faculty in Classics, History of Art and Architecture, and History. Faculty members are versed in disciplinary and multidisciplinary perspectives informing women's, gender and sexuality studies.

Modules are taught  
by full-time faculty  
members  
committed to  
teaching and  
advising

Three core modules.

Three electives.

Research Dissertation.

Students develop their research-based dissertation with a faculty supervisor in the School of Histories and Humanities.

## About You

You should demonstrate a capacity for critical thinking, intellectual curiosity, and an ability to work within and across the three disciplines in the School of Histories and Humanities.

You should have a 2.1 or equivalent degree in Humanities/Social Sciences.

You should have an academic, professional or extracurricular background in Women's, Gender and Sexuality Studies.

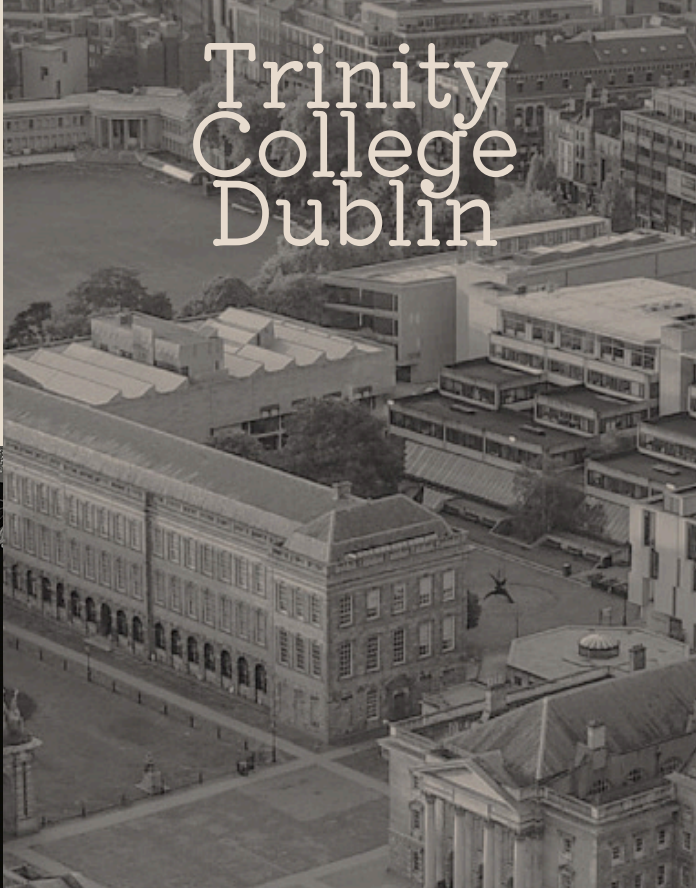

Our faculty have strong research profiles in their fields

Small seminars enable personal interaction between students and faculty

# Trinity College Dublin

Trinity College Dublin is located in the heart of Ireland's vibrant capital city. Founded in 1592 by Queen Elizabeth I, Trinity has a tradition of scholarship spanning more than four centuries, and is home to talented and inquiring minds, a liberal education, and research conducted at the frontiers of disciplines.

Trinity's historic campus in the middle of Dublin has attracted visitors from all over the world to see our world-renowned Long Room Library and our beautiful campanile and Georgian squares. If you are looking for an engaging, interesting and stimulating experience at a welcoming, world-class university, Trinity is for you!

## Career Opportunities

Graduates have found employment in a wide range of sectors including journalism, law, education, policy work in both the Governmental and Non-Governmental sectors at national and international level, diversity and inclusion, media, social media, communications, creative industries, non-profit and social justice organizations.
