EVENING AND SHORT COURSES PROGRAMME

## ENROLMENT INFORMATION SESSION - LIVE ON ZOOM!

We'll be holding a **LIVE 'How to Enrol' session on Zoom** at 11.30 on 2 December 2025. We strongly encourage everyone to attend. This session will walk you through each step of the process to make sure you're properly enrolled and included on your class list - It's the best way to make sure everything runs smoothly. If the enrolment steps aren't completed correctly, your name might not appear on the class list, which could affect your place if spaces are limited.

**You can access the LIVE ZOOM on 2nd of December at 11:30 here:**

**Meeting ID: 988 0634 4393**

**Please note** you can type any questions you may have on the chat option during the session, and we will hold a live Q & A session afterwards.

If you're unable to join us on the day, don't worry — a recording will be uploaded afterwards so you can watch it at your convenience. We will also post a FAQ page based on questions asked.

We really recommend attending live if you can — it's a great opportunity to ask questions and make sure everything is in place before enrolments begin!
