1. INTRODUCTION

- As per the Travel Policy, subsistence can be claimed by TCD employees at the per diem subsistence rates or on the basis of actual receipts, up to the maximum allowed under the per diem subsistence rate set out in this booklet.

Please ensure that the location to which you are travelling has a per diem rate if you intend to choose that reimbursement method. If you return without receipts and there is no per diem rate you may be out of pocket.

Please ensure you have read the Travel Policy prior to travelling
<https://www.tcd.ie/financial-services/docs/TravelPolicy2016.pdf>

- Only TCD staff members can claim per diem or mileage rates.
- The University travel insurance scheme applies to any person (excluding students other than Postgraduates) over the age of 17 authorised by the University to travel on University business excluding persons on long term secondment/sabbatical. The journey must be authorised by the Head of School/Admin/Support function and a Travel Insurance form completed and returned to the Estates and Facilities Department. The staff member is not covered by the University travel insurance scheme unless this form is completed prior to the journey. Independent travel insurance will not be reimbursed.

Please see the follow link for further details

2. GUIDELINES

This booklet contains the current rates for travel & subsistence in Ireland, Britain and abroad. These rates can also be used as a guideline as to the maximum allowed to be claimed via vouched receipts.

The following conditions associated with the payment of travel and subsistence expenses should also be noted:

- All iExpenses must have relevant travel receipts/business purpose back-up scanned and attached. They must be routed appropriately for approval, i.e. Head of School/Discipline, Research Supervisors or approved signatory as appropriate.
- Reimbursements are paid either on the basis of receipts for actual expenditure to the maximum of the subsistence rates or subsistence rates set out in this booklet.
- A claim cannot be made for both vouched accommodation expenses and subsistence unless specifically stated for a particular destination listed in this booklet.

If you require access to the iExpenses System, please complete the form at the following link:

http://www.tcd.ie/local/fis/oracle_access_forms/forms_index.php

Detailed questions in relation to application of Travel Policy can be forwarded to any of the following staff:

4. SUBSISTENCE ALLOWANCES ABROAD

WORLD-WIDE SUBSISTENCE RATES

Use individual rates for each country, set out in the following pages, to calculate the percentages set out below.

For periods of up to 6 months abroad:

100% of the overnight rate for the first month

75% of the overnight rate for the second and third months

50% of the overnight rate for the fourth, fifth and sixth months

Long term absences (over 6 months):

First month = 100% of the overnight rate

Remainder = up to the cost of reasonable accommodation plus 50% of the 10 hour rate for the location

NOTE 1

Elsewhere* = Actuals (vouched expenses) plus €10 per day

Actuals = Vouched Cost of Accommodation and 3 meals (i.e an overnight stay)

Vouched Cost of 2 meals (ie 10 hour rate equivalent); Vouched cost of 1 meal (ie 5 hour rate equivalent)

NOTE 2

Vouched cost of Room plus €108.50 (the 10hr and 5hr rate combined), is applicable to all staff travelling to Brussels on overnight visits.

NOTE 3

Rates set in currencies updated on Oracle are preset in the per diem tab in iExpenses and will populate automatically once you define your travel period.
